

# How to make interior design... *easy*

*When it comes down to planning the interior of your home and your outside living space it can be a daunting process, especially when trying to match flooring designs with curtain fabric for a cohesive design. Visiting several places to try and achieve that desired look can prove challenging;*

**H**owever, easier solutions can make the process a lot more enjoyable. A design centre can help you discover what is happening in the world of design. As well as prove an exciting one stop shop for residential design projects catering to nearly every element of your contemporary design project in one space. Making your experience more enjoyable and stress-free.

A one-stop shop improves the constancy of your experience with individual brands providing a unique service and working together to achieve your requirements. A design centre provides the ideal environment for some of the UK's leaders in interior design products, specialist external installations and modern design. Customer service is at the key of design centre with experienced designers are on hand to provide you with expert advice.

If you are in the midst of, or planning, a home renovation or build

project it is one of the best design resources available. If you are simply looking for inspiration or you are looking for design solutions nearly every area of your design project is covered at design centre.

The commitment to design excellence amongst UK's leaders in design brings together kitchen and bathroom designers, specialist windows and doors manufactures, soft furnishing providers and modern interiors product suppliers, providing you with amazing resources to complete your home renovation or design project to a high standard.

For the best in quality and design, step into a unique experience and visit the Sky House Design Centre, Buckinghamshire. Described as 'a one-stop solution to interior design' it is a newly established design centre in a prime location for design excellence. More than a resource, it is a thriving platform, both creatively and commercially, for an exceptionally dynamic industry. It is home to design exhibitor's showcasing a range of prestigious luxury brands and it is the based on the same site as the largest architectural glazing showroom in the UK.

**Insiders Tip:** The Sky House Design Centre will be open for full public viewing in summer 2016 but for the VIP treatment make an appointment. An experienced member of the team will greet you at the door, make you a fantastic coffee and give you a personalised tour of the Design Centre answering all your questions as you go. ■
